Τεχνικός Διευθυντής Υποδομών & Προπονητής της Κ-20

Due to an excellent cooperation with Mr Stephane Demol in the beginning and his successor Mr Anastasiadis later on the Reserves and Grassroots of PAS GIANNINA were organized professionally and as a result we developed a number of very good players who either joined the first team of the club as professionals or were transferred for the season to other professional clubs. Marios Oikonomou, member of the Under 21 Greek National Team, was transferred to Caliaci, Serie A and then to Bologna, Serie A.

Σε μια άψογη συνεργασία αρχικά με τον κ. Ντεμώλ και στη συνέχεια με τον κ. Αναστασιάδη οι Υποδομές του Πας οργανώθηκαν σε επαγγελματικά πρότυπα με αποτέλεσμα την ανάδειξη παικτών που είτε έγιναν επαγγελματίες στον Πας είτε δόθηκαν ως δανεικοί και αγωνίζονται σε άλλη επαγγελματική κατηγορία με επιτυχία. Χαρακτηριστικό παράδειγμα ο Μάριος Οικονόμου, μέλος πλέον της Εθνικής Ελπίδων, μετεγγράφηκε στην Ιταλική Κάλιαρι, Serie A και στη συνέχεια στη Μπολόνια με την οποία διακρίνεται.

Mr Stephane Demol as the Head Coach of the First Team and I as the Head Coach of the Reserves focused on a better organization of the Grassroots. It is considerable to mention that the Reserves won 10 successive games against very good clubs. In the photo with Mr Demol, Head Coach of the professional team.

Με τον κ. Στεφάν Ντεμόλ θέσαμε τις βάσεις για καλύτερη οργάνωση των Υποδομών. Αξιοσημείωτο το σερί των 10 νικηφόρων αγώνων της ομάδας Νέων απέναντι σε πολύ δυνατούς αντιπάλους. Στη φωτο στον πάγκο του Πας με πρώτο προπονητή τον κ. Ντεμόλ.

04/2010 – 06/2010 > Football League – Head Coach

During this period I was the Head Coach of the first team as I substituted for the previous Head Coach, Mr. Nikos Anastopoulos.

Για την περίοδο αυτή αντικατέστησα τον Νίκο Αναστόπουλο στον πάγκο της πρώτης ομάδας του Πας.
